Trace the STAR onto Double Sided Web – DO NOT trace the outside lines.
When cutting the STAR out leave at least 1/4" seam allowance on both sides of the drawn line to assist with FUSING.

Remove the center of the STAR from the Double Sided Web to reduce stiffness.

Fuse onto the fabric and cut out the STAR.

Fuse to the quilt top randomly or within each block.

Make 7-10 for random OR 15 for each Block.

Size is approximately 7 1/2"
