Makes 6 napkins

SAMPLE	KEY/ SKU	QTY	PLACEMENT IN THE PLACEMATS
	As you wish	1 1/2 yards	Napkin (1/2 yard per two napkins. Mix and match as you want.)
	As you wish	1 1/2 yards	Lining - optional (1/2 yard per two napkins. Mix and match as you want.)
	As you wish	7/8 yard	Binding - Cut into 2 1/4" strips. Diagonal seam together. Press in half.

Napkin Construction

1. There are two ways to make the napkins. The easiest is to cut 18" squares and surge the edges to finish. If you need to make a lot of napkins, this is probably the way to go.
2. But if you are only making six and want them nice and finished on both sides, cut 2 contrasting fabrics into 18" squares. Place the wrong sides together and quilt the two layers (without batting!) together in a simple pattern. Bind the edges with the third fabric to finish.
