Quilt Construction

Sew white Border 1 onto all 4 sides of the 22 ½" center panel.

Make blocks:

Fussy Cut Blocks -

Pair the fabrics together as follows:

3 Bears at the Fireplace – Blue animal tracks

Goldilocks sleeping – Green animal tracks

3 Bears at table – Blue checker

Sew the appropriate borders to the fussy cut squares to frame them.
All blocks should measure 8 ½" unfinished.

Print Blocks -

Pair a solid color with a print rectangle and sew the 1 ½" strips on to frame them.
Add 1 7/8" white strips to long sides of rectangles to make them 8 ½" square.

Follow the photograph to place blocks around quilt center.
Sew into rows and add to quilt.

Next, measure your quilt center. It should be around 40 ½".
Cut 1 ½" white borders for 2 sides. Sew on, then measure again
for top and bottom white borders.

Repeat this process for the multi-colored borders, final white borders and the Outer Border.

Quilt, bind and enjoy!
